SESSION 5 HANDOUT: The Engle Scale

I want to follow Jesus.
I love God. Jesus is the front and centre of my life.

- I know I need to DO something. Feels like a big leap of faith.
- I'm up for finding out more, reading, going to church etc. Jesus seems amazing. Feel a bit freaked out by some Christians.
- Got some idea of what Christians believe. Glad it works for othersbut it's not for me.
- I don't care if God is real or not. I don't care if you are a Christian or not.
 - God definitely isn't real, religion is offensive, manipulative and dangerous.

- Becoming Christian is the best thing I can do with my life.
- Know my life isn't sorted.
 Want God to change things, not sure if I've got what it takes to be a Christian.
- Believe in some of it but have got big questions, don't want to change my lifestyle though.
- There is 'something out there' a supreme being/ghosts, etc. Christians are OK.
- God isn't real.

 The Christians that don't shove religion down your throat are OK.
