

**PASSION** - What is your group passionate about? What would make them get out of bed early on a weekend? What would they really not want to miss out on?

**STRENGTHS** - What are your group good at? What do they really enjoy? What makes them feel like you've added value to something?

**RESOURCE** - What stuff do your group have available? This might be people, things, finance, places etc. What is around them that they can use?
