

# Developing new GB: Overview

New GB ... it's all about developing GB Teams. **GB Teams** are groups of people who are passionate about seeing children and young people's lives and communities transformed and enriched. They provide groups and activities for:

## Different ages

For example:

4-8s

7-11s

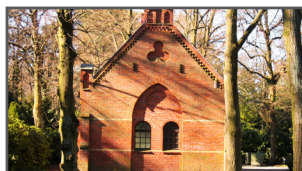

10-14s

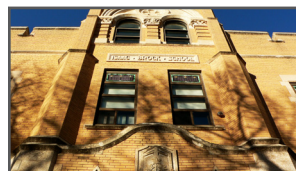

13+

## Different settings

For example:

Churches

Schools

Community centres

## Different styles

For example:

Breakfast clubs

Cafes

Multi-activity

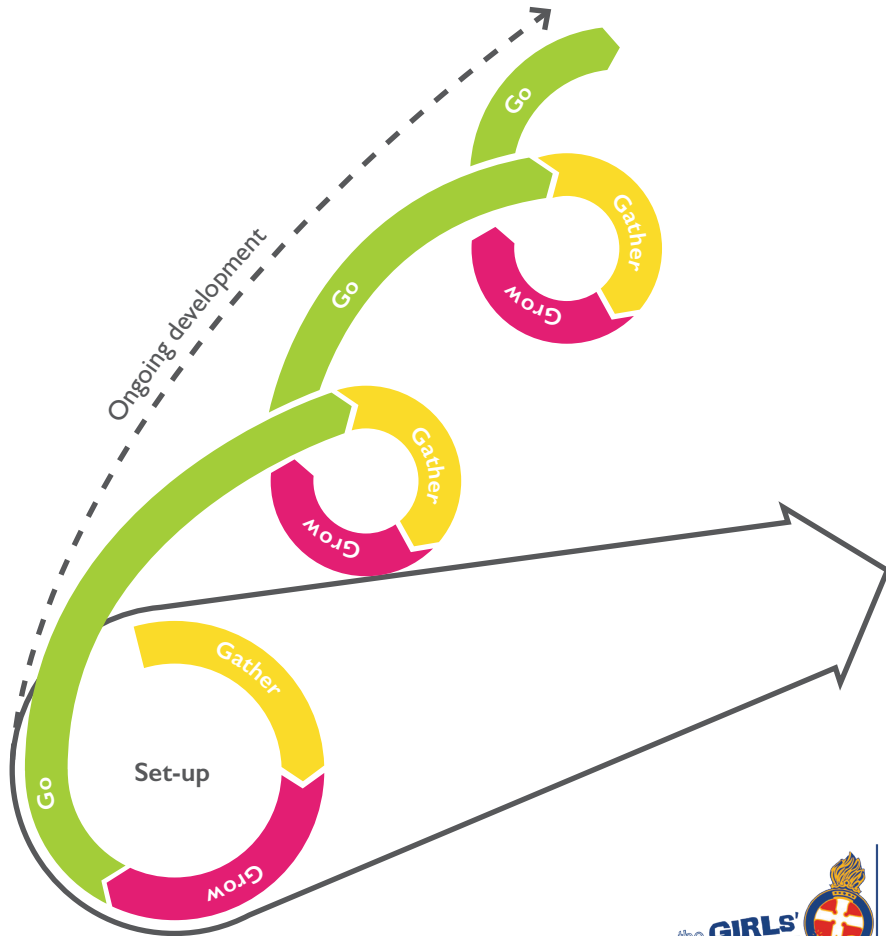

All of these groups and activities are designed to help children and young people discover life to the full. GB Teams are united in their shared vision and purpose – joining in with God's mission of restoration to see lives transformed and enriched, as generations seek, serve and follow Jesus!

All share three hallmarks that we believe follow Jesus' example in this important mission, that of being relational, relevant and responsive.

To develop a GB Team simply register your interest with the team at GB's national support centre and follow the three straightforward steps explained on the next page. Don't forget – we're here to help! Phone or email us on **01246 582322/gbco@gb-ministries.org**
