

## September 2021

Below you'll find seven prayer points – one for each day of the week – so you can pray for each point around four times over the course of an average month, as well as the regular inspiring monthly Bible passage.

*'You're blessed when you stay on course, walking steadily on the road revealed by God. You're blessed when you follow His directions, doing your best to find Him. That's right—you don't go off on your own; you walk straight along the road He set. You, God, prescribed the right way to live; now you expect us to live it. Oh, that my steps might be steady, keeping to the course you set; Then I'd never have any regrets in comparing my life with your counsel. I thank you for speaking straight from your heart; I learn the pattern of your righteous ways. I'm going to do what you tell me to do; don't ever walk off and leave me.'*

*Psalm 119: 1-8 (MSG).*

### Monday

**Following God's directions:** Pray for anyone you know who has stepped away from God recently. May they have their faith re-ignited and want to spend time with God again trusting Him to direct their steps.

### Tuesday

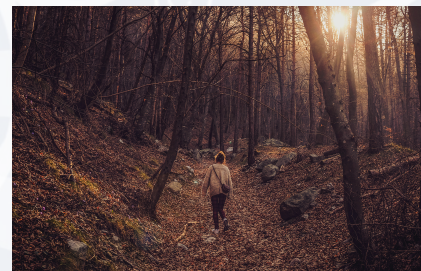

**Back to 'normal':** September sees people returning to school and work after the summer break but this year it will feel different again due to the lessening of the COVID-19 restrictions. Pray for those getting back into a routine and for those who are nervous about what the autumn holds.

### Tuesday

**Back to 'normal':** September sees people returning to school and work after the summer break but this year it will feel different again due to the lessening of the COVID-19 restrictions. Pray for those getting back into a routine and for those who are nervous about what the autumn holds.

## Wednesday

**Back to GB:** Many GB groups will be resuming face-to-face activities for the first time this autumn since the pandemic. Pray for the leaders and girls that they'll have fun and be blessed by the return to their GB family.

## Thursday

**Growing GB:** Pray for the GB groups who wish to grow in numbers following the pandemic – thinking particularly of those who are reaching out into their local community to promote themselves with publicity materials or doing school assemblies.

## Friday

**Training time:** Online training is taking place this month. Pray for those leading it, for those attending, and for no technological difficulties.

## Saturday

**Silly season:** The period between September and Christmas can often be very busy. Pray for those already juggling their diaries. May they carve out time to rest and be still too.

## Sunday

**Churches closing:** Some churches are not looking to reopen following the pandemic or are facing problems with their building or lack of congregation. Pray those involved in decision making at these places of worship have God-inspired vision and wisdom.
