The paper contains musical notation and drawings. At the top, there is a line of text: "G B A G E S M E C H I N E A B O U T I D O S A N D O A C H O U T H I R". Below this, the word "Flower" is written in orange. On the left side, there are two columns of notes: one in purple and one in orange. In the center, there are several wavy lines in purple, orange, and red. On the right side, there are more wavy lines in purple and orange. At the bottom left, there is a small drawing of a flower with a yellow center and red petals.

"I'm new here but I'll be here in a few days!"

Scarston Girls Brigade
Make friends and doing craft,
Lots of games make us laugh
we listen to lots of bible songs,
We love going along and always
We love to work alongside my friends,
And I really hope it never ends,
I love walking into church,
And I love Girls Brigade very much.

making the buildings as sustainable and energy efficient as possible now; encouraging everyone to play their part in becoming more aware - because small steps matter.
This we have begun already. We are partnering with St. Mark's C of E church, Birstall who already have the Silver Award, to provide food and shelter for a large group from the Young Christian Climate Network on the evening of the Circuit meeting. YCCN are walking to Glasgow where Great Britain will host COP 26 in November. There will be a short service then we will provide a vegan evening meal, space to rest and sleep plus breakfast before they travel on.
