

April Prayer Points

This month we celebrate Easter so let us think of Christ's resurrection

the **GIRLS'**
BRIGADE
ENGLAND & WALES

Sunday

EASTER - Throughout this month let us remember that Christ lived as a human amongst us and died for each and every one of us. He rose again.

Monday

Each morning let us thank the Lord for a fresh start to the week, another day to bring others to know and love the Lord through the fun we have at Girls Brigade.

Tuesday

Aloud – let us shout aloud that we are here and we are still important and making a difference to the lives of girls in the world today.

Wednesday

Service – let us give thanks for our leaders, both young and old. For the many years of experience our leaders have but also the new ideas and energy that our young leaders bring.

Thursday

Together we can do this, let us continue to work together, remembering we are part of a national organisation and also a larger world wide organisation. Let us pray for our sisters around the world.

Friday

Enjoy Gods creation, now is the time of year when so many different changes happen in the world around us. Let us remember that we are stewards of the earth, keeping it safe for future generations.

Saturday

Rejoice! Let us rejoice for over 130 years of service, helping girls and young women seek, serve and follow Christ.
