

June Prayer Points

Monday

The Girls' Brigade International Day of Prayer is held on June 10. It marks the merger of three historical organizations that formed the modern Girls' Brigade. Prayer for the ongoing work of Girls' Brigade around the world – may continue and thrive.

Tuesday

Many members will have been or will be due to face exams. Pray for all and particularly for those who struggle with the pressure. Ask God to guide them in their next steps.

Wednesday

Pray for those you know facing illness and bereavement. Pray that those involved will find hope in seemingly hope-less situations, and that those around them will be able to comfort and guide them through this time.

Thursday

As the season of residential events approaches, pray for those planning camps and summer events. Pray for creativity in the planning, safety at all events and above all, an outpouring of the Holy Spirit to change lives.

Friday

Pray for wisdom, unity and comfort for all affected by the closure of Girls' Brigade Scotland. Ask that this period of transition strengthens our shared mission and help even more young people grow in faith, confidence and community.

Saturday

Pray for Aindrea as she begins her role as Volunteer & Fundraising Coordinator. Ask God to give encouragement and insight, and that her work will help strengthen groups, support volunteers and open new opportunities for fundraising and growth.

Sunday

During Volunteers' Week UK, give thanks for over 2,000 volunteers serving Girls' Brigade England and Wales. Pray they feel valued and strengthened in their work, and that God would continue to use their time, gifts and faithfulness to make a difference their communities.
