NOVEMBER 2026

PRAYER POINTS

MONDAY	We pray for those whose journey may be just around their home, bless them for what has been and what is now – the gift of time to pray more frequently during the day. We pray for those who journal, may their writing be a joy and blessing to them and those who read it.
TUESDAY	We pray for those whose journey may not be an easy path to follow or navigate at this time. For those who getting up is a struggle, never mind their age. We pray for all those who are really struggling with their mental health and wellbeing currently, we pray for God's healing.
WEDNESDAY	We pray for those who really know their way, help them to be always thankful for their reassurance in you Lord Jesus Christ. If they have been on a difficult road help them be able to journal their experience to help others to know that it really is OK not to be OK at times.
THURSDAY	We give thanks to all those companies who took on board raising £100 for the recent challenge. We pray for all those companies who are currently struggling financially; and, for all those leaders and girls who are struggling personally within this current financial climate.
FRIDAY	We pray for all those companies in various difficult circumstances overseas. We pray for the leaders to have wisdom, patience, endurance and understanding. We pray for the girls to have joy in their friendships, and in their learning, may they know your love for them.
SATURDAY	We pray for our uniting as Girls' Brigade Great Britain, may we thrive and be a blessing to all. With "Jesus is the Reason for the Season" time coming upon us, let us celebrate, "For ye shall go out with joy, and be led forth with peace", Isaiah 55.12 KJV.
SUNDAY	Let us go forward in our endeavours to Seek, Serve and Follow Christ. We pray for all members of The Girls' Brigade, locally, nationally and internationally. We are family, bonded with our motto and our badge – cross, crown, lamp and torch.
